Should you buy a Galant cabinet with sliding doors?

GALANT cabinet with sliding doors has plenty of room for all the binders and files you need near your desk - but takes up less space. The doors slide instead of swinging out, so you don't waste precious space on swing room for the doors. This also means that you can fit the cabinet just about anywhere.

How many doors does a kitchen cabinet have?

With four doors, one drawer, and four shelves, this cabinet provides ample space to store food, small appliances, and kitchen supplies. The six door shelves are just right for organizing spice jars and canned goods, while the three sliding shelves offer flexible storage options. Plus, the included wall mount adds an extra layer of safety.

Do sliding doors open all the way?

The sliding tambour doors open all the way so you can access and make full use of the storage space. Signature slatted paneling on the main body of this piece further elevates its modern appeal, whilst lending this sliding door cabinet its unmistakable character.
