

What are Master Lock control keys?

Master Lock provides control keys with the original installation of a key controlled lock system. The keys provide quick, supervisory access to any lock in the system. Replacement keys are only available to registered end users, directly from Master Lock.

How do you secure a locker at Master Lock?

Know your belongings are safe while you're in class or at the gym. Master Lock offers a variety of padlocks perfect for securing your locker. For maximum protection, reinforced shackles or laminated steel bodies are available on some combination and keyed padlocks. Make it personal. Set your own number or letter code to customize your lock.

What is a master key?

A master key, as mentioned in our Locker Master Key service, is a key that ensures you have access to each lock from your purchase. We recommend ordering at least one control key per lock order, but most clients typically order three to five master keys per lock order. Your control key will be cut to the type of lock you have ordered, unless specified otherwise.

How do I know if a lock is a Master Lock?

Locks shall be supplied with printed Control Chart of serial numbers and combinations and text file on disc. Master Lock #1630 for lockers hinged on right. Master Lock #1631 for lockers hinged on left. For optional one-piece metal dial with non-slip finish specify Master Lock #1630MD or #1631MD.

How does Master Lock work?

Master Lock sells through locker distributors that specialize in locker installation, service and repair. The school supply distributors service educational customers by consolidating multiple, related products. Master Lock provides a printed chart and electronic (Excel) file of every lock serial number and combination in an installation.

Is the Keyless1 the perfect locker lock?

Yes, the perfect lock. The Keyless1 provides the perfect locker room experience for both the users and management. Users gain the freedom to easily operate the combination locker lock by choosing their own 4-digit code and can rest assured that their belongings are securely stored in shared or assigned lockers.
