

Optimisez votre consommation énergétique avec Home-Economic ; Luxembourg. Découvrez nos panneaux solaires et pompes à chaleur de qualité européenne. Profitez de l'énergie solaire et de l'air gratuit pour des ...

Optez pour le Triple-E : économie, énergie, écologie et réduisez votre consommation grâce à nos solutions accessibles en panneaux photovoltaïques, pompes à chaleur et isolation extérieure. En savoir plus

Optimisez votre consommation énergétique avec Home-Economic ; Luxembourg. Découvrez nos panneaux solaires et pompes à chaleur de qualité européenne. Profitez de l'énergie solaire et de l'air gratuit pour des économies significatives.

Our photovoltaic solutions are not just about savings and caring for the environment, but also an investment in modernity and energy independence. We handle comprehensive project implementation - from design, through installation, to support in obtaining subsidies.

Optez pour le Triple-E : économie, énergie, écologie et réduisez votre consommation grâce à nos solutions accessibles en panneaux photovoltaïques, pompes à chaleur et isolation ...

We install complete photovoltaics systems. Discover the best solar solution with our experts to meet your energy needs. We provide thorough surveying services to ensure your solar panels adhere to all necessary requirements ...

We install complete photovoltaics systems. Discover the best solar solution with our experts to meet your energy needs. We provide thorough surveying services to ensure your solar panels adhere to all necessary requirements structurally, municipally and legally.

Sunenergy Luxembourg specialises in the design, supply, installation and maintenance of solar panels and other renewable energy technologies. Our solutions for solar and storage applications, intelligent energy management systems and modern charging solutions for e-vehicles enable people and companies to achieve greater energy independence

A solar system without electricity storage offers an attractive entry-level price. This solution includes our selected PV modules and an inverter. Use the electricity you generate yourself each day and achieve self-sufficiency of up to 40 percent.

SolarCells is the first producer of photovoltaic panels in Luxembourg, located in Hollerich. We manufacture high-quality panels using European components, certified with IEC standards, offering yields exceeding 400 Wc.
