

Masdar has acquired 70% of Terna Energy shares from GEK Terna and other shareholders, and has secured all necessary regulatory approvals. The acquisition was sealed for EUR20 (\$21.1) per share. Masdar's next step is to obtain regulatory approvals from the Hellenic Capital Markets Commission for an all-cash mandatory tender offer to acquire ...

Under the MoU, Silk Road Fund plans to invest up to 20bn yuan (\$2.8bn) in projects alongside Masdar, targeting renewable energy initiatives developed, invested in or operated by Masdar. Masdar's investments span the Middle East, Central Asia, Southeast Asia and Africa, with many projects aligning with the BRI.

Abu Dhabi-based Masdar, a leader in renewable energy, has solidified its position in the global energy sector by acquiring a 70% stake in Greece's Terna Energy SA. The EUR3.2 billion transaction is the largest energy deal in the Athens Stock Exchange's history and stands as one of the most significant investments in the EU's renewable energy industry.
