

Why is Moldova imposing a state of emergency?

More than half the world's population sees AP journalism every day. Moldova's parliament has voted in favor of imposing a state of emergency in the energy sector over fears that Russia could leave the European Union candidate country without sufficient natural gas supplies this winter.

Why did Ukraine stop exporting electricity to Moldova?

Ukraine stopped exporting electricity to Moldova in early October following the destruction of part of Ukraine's electricity system as a result of a mass bombing campaign of Ukrainian civilian and energy infrastructure by Russia. This led to an electricity deficit in Ukraine on 24 October.

Is Russia meddling in Moldova?

Russia denies it is meddling in Moldova. The Associated Press is an independent global news organization dedicated to factual reporting. Founded in 1846, AP today remains the most trusted source of fast, accurate, unbiased news in all formats and the essential provider of the technology and services vital to the news business.
