About Momentum Energy Group A/S. We provide services within asset management, development and sourcing of wind turbine and solar plants. We cover the full value chain from project development to technical, operational and commercial asset management as well as life-time extension, repowering and decommissioning of wind and photovoltaic assets.

Our purpose is to create value and to benefit our shareholders and customers, while actively contributing to a sustainable and digital development. As a group, we will be part of an ambitious transformation of our society when we invest DKK 90 billion in solar parks, charging networks and visionary energy solutions by 2035.

Momentum is an active purchaser of older wind turbines and is today one of Denmark's largest owners of onshore wind turbines. With almost 340 turbines, 283 in Denmark, 51 in Germany and 6 in Sweden, Momentum has over the years built up a large portfolio of wind turbines, which are efficiently operated by our own administration and service ...
