The Commonwealth of Northern Mariana Islands (CNMI) has taken a historic step toward moving toward a cleaner, greener future. Governor Arnold Palacios earlier this week signed the Blue Planet Climate Agreement, a document declaring the CNMI's intention to commit itself on the path to a 100% renewable-energy future.

After establishing an energy baseline and developing a strategic energy plan for the CNMI (described on page 1 of this document), the next step on the road to changing existing patterns of energy use is to create an energy action plan.

In compliance with Federal & State Employment Opportunity Laws, qualified applicants are considered for all positions without regard to race, religion, sex, national origin, age, marital status and / or non-job-related disabilities.
