

The Sharp AH-XP18SHV Inverter AC in 1.5 Ton White is an advanced cooling solution designed to deliver efficient and reliable performance for medium to large-sized rooms. With its 1.5-ton cooling capacity and inverter technology, this AC unit provides rapid cooling while minimizing energy consumption, helping you save on electricity bills.

Energy Saving Inverter. Energy saving operation mood instantly activated once the preset room temperature has been reached, utilizing high power DC motors for the compressor and outdoor fan to reduce energy consumption and ...

The cool comfort Atashii Inverter air conditioner is designed from Atashii extensive research and broad-based feedback from customers, which is why they address several user demands. The Atashii Inverter air conditioner offer simplicity of operation and, quite importantly, efficient air cooling performance.

In Bangladesh, you can get the original Baseus IGBT 300W Power Inverter from Star Tech. We have a large collection of the latest Baseus Power Inverter to purchase. Order Online Or Visit your Nearest Star Tech Shop to get yours at ...

This Growatt SPF 6000 ES Plus is an off-grid storage inverter. It comes with 6000W rated power, 20V-460V, DC operating voltage, and 100A charge current. Also, it supports Wi-Fi and GPRS remote...

DC-AC Inverter 110VDC - 220VAC Modular Inverter Cabinet System. Application: Telecom Data-Center, Bank Data-Center, Industries Data-Center, Power Station, Satellite Station, etc. Power Rating: Input 110VDC, ...

In Bangladesh, you can get the original Baseus IGBT 300W Power Inverter from Star Tech. We have a large collection of the latest Baseus Power Inverter to purchase. Order Online Or Visit your Nearest Star Tech Shop to get yours at the lowest price. The Baseus 300W Power Inverter comes with a 3-month warranty.

Sole Distributor of BWitt Brand Modular Inverter and Modular Rectifiers in Bangladesh: Telecom Modular Inverter Cabinet System. Industrial Modular Inverter Cabinet System. System Specification:-Input DC: -48VDC (from Battery Bank or Rectifier), (72V/96V/110V/220V DC inverter modules also available)

Gree Inverter AC 1.5 Ton GS-18XPUV410 Pro with wifi, Cool uses newer efficiency high cooling equipment 410A friendly refrigerant systems. 5* Energy Saving ... No outdoor or indoor noise. ...
