

The new solar farm, named Baco, will be located in Chiriqui province on the west coast of Panama. Just next to the Baco site is Enel Green Power's 31-MW Madre Vieja solar farm, currently under construction. Some three kilometres (1.86 miles) away, the renewables firm has Esperanza, Caldera and Sol de David solar plants in operation.

El Primer Parque Solar de Panamá en el Desierto de Sarigua. Uno de los hitos más importantes en el camino hacia la sostenibilidad energética de Panamá fue la construcción del primer parque solar en el país, ubicado en el desierto de Sarigua. Este parque solar marcó el inicio de una nueva era en la generación de energía limpia.
