Tickets cost MOP \$10 for paying attendees, while visitors under 12 and over 65 are granted free entrance. Tickets may be purchased inside the gift shop located by the park's middle entrance. The pavilion is closed every Monday. Macao Giant Panda Pavilion Seac Pai Van Road, Seac Pai Van Park, Coloane,

Committed to contributing to a world that is powered by cleaner and better energy solutions, Pavilion Energy is creating a better and brighter LNG future in the region with our industry leadership, community stewardship and institutional partnerships.

Zhang believes the best way forward is for Macao to develop its own renewable energy sources. The city might lack the right conditions for building wind turbines for hydropower plants, he says, but it has the foundation in place to develop solar photovoltaic (PV) systems, which convert sunlight directly into electricity.

The Macao Giant Panda Pavilion in Coloane's Seac Pai Van Park ingeniously incorporates the terrain's natural undulations into its architectural characteristics, extending about 3,000m² in a fan-shaped design. The nearby Pavilion of Rare Animals offers three indoor and two outdoor activity areas to give the red pandas lots of room to live and play.

Pavilion offer customers vastly cheaper and a higher quality utility supply through water recycling, desalination and in-house power generation. The company's model is based on a service package that includes the supply of all equipment, manpower, consumables and management.
