

How does Acciona's battery station service work?

ACCIONA's battery station service makes it possible to buy a Silence motorcycle without the need to purchase the electric battery that powers it, reducing the cost of acquiring the vehicle by nearly 40%. This system allows customers to have a monthly battery subscription.

How will Acciona and Cepsa develop a battery swap network?

ACCIONA and Cepsa have reached an agreement to carry out a pilot test to develop a battery swap network at Cepsa service stations for the electric vehicles manufactured by Silence, a subsidiary of the ACCIONA Group. Through this alliance, both companies will promote new models of sustainable mobility.

How many battery swap stations will Acciona have in Spain?

ACCIONA's network of battery swap stations for Silence vehicles will have 100 charging stations in the main Spanish cities by the end of the year, with more than 1,000 battery swap units. The accelerated deployment of battery stations for Silence vehicles is due to the brand's leadership in Spain for four years in a row.

How does Acciona work?

When the driver detects a low charge level, he can use the ACCIONA Battery Station app to locate the nearest swap station and reserve a battery. Once he arrives there, he deposits the battery at an available charging point to take out another fully charged battery.

Will Acciona 'keep growing' in the Philippines?

The Spain-based company plans to "keep growing" in the Philippines, noting the attractiveness of the public-private partnership (PPP) model in the country, said Acciona CEO Jose Diaz-Caneja during the Pilipinas Conference 2024, a gathering of key government officials and top business leaders organized by the Stratbase Group.

What is Acciona refueling system?

This system, exclusive to ACCIONA, allows the traditional refueling experience to be replicated through the exchange of depleted batteries for charged ones in less than 30 seconds. The company will have 160 stations with 1,600 battery exchange points in Spain before the end of the year.
