I couldn't be more satisfied with my [portable solar] Kit from Ben! After hurricane Irma, we were out of power for two weeks. Our gas generator was inconvenient to sustain, primarily because of the long gas station lines and cost. I wanted an alternative power source, began researching solar, and how I found Ben.

This means your utility company doesn't even need to know and furthermore, no grid power is required whatsoever for these systems. Suggested applications: Home backup power, mid-size on or off-grid applications, standalone power systems for homes, cabins, businesses, remote or mobile applications +
