

Established in 2015, Ganesh Power Solutions (GPS) offers power solutions via off grid or on grid, water heating, portable power, water pumps, eco-generators, portable lighting, inverters, battery banks, solar panels, charge controllers, fixed lighting and a vast range of other domestic products.

Ganesh Power Solutions focuses on supplying alternative energy solutions to the public & private sector to help deal with the energy crisis in Zambia. A few would disagree that Zambia would benefit by finding sustainable, innovative ways of generating more electricity for both domestic and industrial users.
