BatteryPlex is your Prevailer Battery source. Prevailer Sonnenschein Gel batteries combine the latest advances in battery engineering with proven technology to provide a new level of starting and deep cycle reserve power. These are the Gel batteries of choice for commercial vessels, power boats, RV's, sailboats and personal mobility.

Through materials innovations and full battery development, we aim to bring a new and alternative hydrogen battery technology for large-scale energy storage. At the same time, the utilization of clean hydrogen energy in the battery technology will open a new avenue for the hydrogen economy in the Kingdom and elsewhere.

Saudi Arabia and Morocco are making head way in the race to secure a foothold in the global lithium-ion battery supply chain. By leveraging state support, different policy approaches, and geopolitical trends these Middle East/North Africa (MENA) countries are aiming to attract investors and bolster their presence in the electric vehicle (EV ...

The joint venture also plans to establish BESS (Battery Energy Storage System) manufacturing facilities in Saudi Arabia, targeting an annual production capacity of 5GWh. During the exhibition, Hithium delivered onsite a speech and unveiled the first time its latest cutting-edge innovation: energy storage solutions dedicated to desert applications.
