Our members will be part of a new and exciting energy revolution. Members will be able to buy their energy from other members who produce it using solar panels.

Rowan Energy was founded by David Duckworth after many years of experience in the energy industry. He saw the flaws of the current system, of established monopoly players, and the failings of them to support home renewable energy. In his words, "Am I the only one who thinks selling your energy to the grid for 5p per kWh and then buying back in ...
