

Where can I find information on energy in Rwanda?

For more information on energy in Rwanda, please visit the websites of the Rwanda Ministry of Infrastructure, RDB, the Rwanda Utilities Regulatory Authority, and the Rwanda Energy Group. They provide information on electricity access, both on-grid and off-grid, including solar home systems and mini-grids.

Who is GreenGo energy Germany?

GreenGo Energy Germany GmbH, the German arm of the Danish GreenGo Energy Group, has expanded its management team with the addition of two experienced professionals. Claas Oltmann and Dr. Philipp Schmagold, both with extensive backgrounds in renewable energy, join the company to lead efforts to develop large-scale, subsidy-free energy parks.
