

Coordonn  e par l'Universit   de La R  union, la collaboration regroupe 5 partenaires dont les meilleurs centres de recherche europ  ens du domaine. L'objectif principal du projet TwInSolar est d'acc  l  rer la transition   nerg  tique    La R  union et dans d'autres territoires insulaires, gr  ce au renforcement de la communaut   R& I ...

Up to now, more than 30,000 households in Reunion Island have benefited from SLIME. ECOSOLIDAIRE: developed by the Regional Council and implemented by Horizon R  union, with the support of European structural funds and EDF, this grant supports low-income households to acquire solar heating systems. The main objectives are to reduce energy ...

Solar energy policies in La Reunion A carbon intensive island... With a strong regional ambition for the Energy Transition : the Multi Annual Energy Plan (PPE) adopted in 2022... The key objective of this plan is to reach 100% renewable energy sources in electricity generation by 2030, through : And a smart specialization strategy (RIS3) aiming

Reunion Island has emerged as a pioneer in renewable energy adoption and innovation. With a goal of achieving 100% renewable energy by 2030, the island has made significant strides in harnessing its abundant solar resources and ...

With high reliable prediction and energy management software, the plant will feed in the Reunion Island grid a no-intermittent renewable energy. This solar power plant is a world first and paves the way for a new era of photovoltaic predictable, stable and available. Delivery is planned during the first half of the year.

This publication aims at presenting solar technologies in use at Reunion Island (Indian Ocean, France). The market of solar thermal water heaters really started in the beginning of the 1990's and is today the most developed technology. Photovoltaic conversion start

Albioma SA (EPA:ABIO) will install photovoltaic (PV) arrays with a combined capacity of 4.8 MWp atop buildings throughout Reunion Island, in the Indian Ocean, the French renewable energy producer said on Thursday.
