Green Leaf Solar was amazing! They were super professional and prepared. I felt confident that they were going to provide me with the best service possible and weren't trying to rack up unnecessary costs. I appreciated their high level customer service and would use them again for all future Solar needs in my future!

A new solar power plant now sits below the dizzying reliefs of Bas Mafate, on the island of Reunion. Rivière des Galets, whose name is borrowed from that of the coastal river which delimits the municipal territories of Port, La Possession and Saint-Paul, is ...

Port Saint-Gilles, on the island of La Réunion, recently benefited from a major transformation of its street lighting system. Fonroche Lighting, in collaboration with the UGAP purchasing group, installed nearly 80 solar-powered streetlights, bringing an ecological and sustainable solution to this emblematic maritime site.
