

What is the culture of Saint-Martin and Sint Maarten?

The island's culture is a blend of its African, French, British, Dutch, Amerindian, and Asian heritage. Although each side's culture is influenced by their respective administering countries, they share enough similar heritage and traditions that it can be difficult to tell where Saint-Martin ends and Sint Maarten begins.

Is Saint Martin a French commune?

Saint Martin was for many years a French commune, forming part of Guadeloupe, which is an overseas region and department of France.

Is Saint Martin a part of the Netherlands?

Currently, the island is divided into Sint Maarten (the southern half of the island, part of the Netherlands) and the Collectivity of Saint Martin (the northern half of the island, part of France). The island has been divided since the signing of the Treaty of Concordia in 1648, which today remains as one of the oldest treaties still in effect.
