2KW 3KW all-in-one solar generator system with Lithium battery. Our 2KW and 3KW all-in-one solar generator systems are your go-to power solution. Featuring a pure sine wave inverter charger, MPPT solar controller, and a robust lithium ...

The system consists of a powerful diesel generator and an external PMG inverter. The inverter stabilises the power generated by the efficient Permanent Magnet generator to a pure sine wave voltage and thus ensures the correct output voltage for the connected appliances operated with alternating current, regardless of the set speed.
