SEC Industrial Battery was the first to use a patented technology to extend the design life and improve the performance of VRLA batteries. We called it the SEC CatVent and its been supercharging our batteries ever since. When inserted into the headspace of a cell, the CatVent helps to balance the electrochemical activity. ...

SEC Group is an international business with offices in the United Kingdom, Europe, Bahrain, Hong Kong, China and Indonesia. But with a network of partners all over the world, SEC "home" is wherever you need it to be. Please don't hesitate to contact us through our form on this page or contact your nearest SEC office at the details below.

The series is available with a choice of standard or V0 rated flame retardent tough ABS cases and an optional venting kit to allow for remote gas venting outside the battery cabinet where required. The FTA range is manufactured in SEC's ISO approved factories and is backed by a full 3 year warranty as standard. SEND AN ENQUIRY

Become an industrial battery agent, distributor or reseller with SEC Battery and start generating maximum profit now. Your commitment, our commercials and the SEC Partner Grid networks ...

SEC makes all-condition batteries for exploration, extraction, and refinement. Constantly innovating, we strive to minimise maintenance requirements, improve ruggedness and widen the temperature operation range of our deep- cycle, AGM, VRLA, flooded, Ni-Cd and Gel batteries.

SEC's solar batteries are custom built to excel under the demands of renewable energy generation. Their innovative design ensures high performance and durability. We have been successfully outfitting small to large-scale solar projects for forty years. Our ETGB range is the highest cycling solar battery on the market and our recommended choice.

SEC Industrial Battery Company Provides safe, reliable power solutions worldwide. SEC's high quality Industrial Batteries and related products, together with our Service record, Engineering, Installation, testing, and maintenance expertise makes SEC the best answer for your global battery requirements.

Become an industrial battery agent, distributor or reseller with SEC Battery and start generating maximum profit now. Your commitment, our commercials and the SEC Partner Grid networks and systems make growth inevitable.

SEC Industrial Battery Company provides safe, reliable power solutions worldwide. SEC's high quality Industrial Batteries and related products, together with our Service record, Engineering, Installation, testing, and maintenance expertise makes SEC the best answer for your global battery requirements.

Click through to find out the details of this Hong Kong based role leading the team at SEC Battery. ... Industrial Battery Sales / Indonesia. We're looking for sales staff with a passion for energy storage. Industrial sales jobs don't get more exciting than this, so read on if you're ready to connect with a solid future in this fast ...

The SEC lithium industrial range will supercharge your business. Get in touch today! ... SEC is the battery company on the frontline, fuelling discussions, educating suppliers and providing facts and figures to support the energy storage revolution. Call us to buy Energy Storage. Coming Soon.
