Where is the SES Smart Box innovation going?

KSA, UAE, Kuwait, Qatar, Oman, Bahrain, Africa and anywhere else across the globe, the SES smart box innovation is going everywhere. Ghassan Ayoub

We serve our customers from multiple centers across the Middle East and Africa, where our solutions range from standalone low-voltage generator hire, powering events, and concerts to multi-MW medium-voltage power plants in remote areas operating 24/7.

Headquartered in Jebel Ali Free Zone in Dubai, SES is your go-to source for comprehensive energy solutions. We cater to immediate power requirements with our rental services and craft lasting energy infrastructures through our design, sales and O& M expertise.
