

Where to buy wholesale solar panels?

If you are looking for a place to buy wholesale solar panels, you've found it. A1SolarStore offers PV modules from all over the world for competitive prices and with fast delivery. Let us tell you a little about the panels that we offer, how we deliver them and what kind of solar panel you might need.

Why should you buy solar panels wholesale?

Solar panels can be very different in terms of cost, and several factors impact the final price, such as wattage, brand, type of panel, warranties, etc. Whatever brand you pick, its solar panel wholesale price is lower than retail, so you end up saving a lot.

Who is wholesale solar warehouse?

Wholesale Solar Warehouse is family-owned and operated by Charles and Lori Bush in Richmond, VA. We believe in doing business the old-fashioned way with honesty and integrity. We believe that solar should be affordable to all people, not just to the wealthy. Wholesale Solar Warehouse is your trusted partner for all your DIY solar projects!

What types of solar panels are available?

Our wholesale solar panels are available in 2kw, 4kw, 10kw, 25kw and 50kw grid tie solar panel bundles...making them perfect for one large, or several smaller grid tie solar system installations. For all wholesale pricing offers, please contact us for updated pricing and freight quotations.

What is a wholesale solar panel bundle pack?

Built with our large 230W grid tie solar panels, our wholesale solar panel bundle packs give you the ability to purchase all of the high-efficiency grid tie solar panels you need for your home, or for several installations, in a convenient package...at deep discount prices.

What are the cheapest solar panels?

Notice that at A1SolarSolar when it comes to the wholesale price of a solar panel, we show the cost per watt rather than per pallet or per panel. Generally, solar market prices can be described like this: Asian panels, especially Chinese ones, are the cheapest ones. The most popular brands here are JA, LONGI, Trina Solar, ZNShine and many others.
