

Who is solarafrika?

Founded in 2011, SolarAfrica provides a suite of capex-free green energy solutions to the commercial and industrial sectors in Southern Africa. The holistic suite includes solar energy, battery storage, wheeling, electricity trading, gas-to-power and biogas.

Who are Africa's leading solar energy companies?

As a pioneering renewable energy company, SolarAfrica has been named the continent's leading solar energy firm twice, scooping the prestigious African Solar Company of the Year award in 2021 and 2023 at the Africa Solar Industry Association (AFSIA) Awards held in London and Nairobi respectively.

What is solarafrika & how does it work?

The holistic suite includes solar energy, battery storage, wheeling, electricity trading, gas-to-power and biogas. SolarAfrica enables businesses to take control of their power by providing energy solutions that enable cost savings, carbon reduction and power security to create a sustainable future for years to come.

Who pays for solar Africa?

The property owner pays SolarAfrica for the energy used based on Nersa or municipal rates, while all other costs, such as system maintenance, operations and insurance, remain with the services provider. Save up to 50% on monthly electricity costs. Reduce your carbon emissions and reach your green energy targets.

What makes solarafrika a great company?

The SolarAfrica team is committed to helping our customers have safer, cleaner and more reliable electricity through affordable energy solutions. We believe in equal opportunity, rewarding performance and encouraging personal growth through training and education. We're an ambitious team, passionate about what we do and the core values we uphold.

Why should you choose Starsight energy & solarafrika?

With over 60MW of funded solar projects, we are continually driven to assist our customers in reaching their green energy ambitions while saving them money in the process. Starsight Energy and SolarAfrica merge to become market leaders in renewable energy across Sub-Saharan Africa.
