Solife Inc. is a privately held EPC company located in St. Vincent and the Grenadines. We have been in operation since 2011 and have completed 3.8 MW of solar system installations on the island, and have consulted/assessed over 40 MW of solar systems regionally.

The battery storage system will help Mustique to increase the contribution of solar energy on the island and to reduce its carbon footprint. Mustique has the goal to increase renewable share to over 75% by 2024 and reduce the emissions by 22% by 2025, in line with St. Vincent & The Grenadines' commitment to the Paris Climate Agreement.
