

How does Ecofarm Curacao operate?

Ecofarm Curacao operates as a distributor and has expertise in the areas of sun, wind, and storage. We work together with local installers on Curacao. After an inventory check, we will sit down with you to discuss your wishes and create an action plan.

Where can the Ecoplant be found in Curacao?

The Ecoplant is a fully solitary power plant that can be placed in Curacao anywhere you like, such as the beach, parking lot, or even in your garden. The Windwokkel(TM) delivers enough energy for an average household in Curacao. It can easily be installed on your flat roof top or on any pole with a height between two to four meters.

Solar panels are becoming more and more popular in homes. They provide clean power and save homeowners money on their electric bills. The installation process is also quite simple, but it is best to hire a professional solar system installation company for this job.

Embrace the power of the sun with our efficient solar panel installations. Whether it's for your home or business, we design and install customized systems to help you harness clean and renewable energy while reducing your utility bills.

Our store personnel, our solar consultants will provide a personalized price indication to design a system that maximizes your energy production and minimizes your costs and assist in your additional financial needs.

IFA is more than a commercial solar panel installer. We offer full end-to-end solar solutions and complete project management from start to finish. Our services include free site analysis, engineering and design services, financing, rebate application, installation, permitting, inspections, monitoring, and ongoing service and maintenance.

During your visit to our solar booth, we'll provide a detailed quote that outlines the cost, financing options, and projected savings associated with your Solar installation. Keep in mind, that our Kooyman Solar specialists are here to support you throughout the entire process. We also offer financial services by means of our K-Pay services

Curaçao; het eiland waar 365 dagen per jaar de zon schijnt. Perfect om zonne-energie te gebruiken in ons dagelijks leven. Solar is duurzaam, gebruiksvriendelijk en het enige wat je nodig hebt is daglicht. Geen ingewikkelde draden en aansluitingen. En misschien wel het belangrijkste, het blijft branden, ook als de stroom wegvalt.

ABC Solar Tech is the rising leader in Caribbean solar energy. Founded by world-renowned solar engineer David Westenend and entrepreneur TJ Scott, we specialize in providing high-quality solar installations using top-of-the-line solar technology.
