We have the answers to all your burning questions to help you decide if solar panels are right for your home. Solar Cheat Sheet: What You Need to Know Before Getting Solar Panels - CNET X

A solar lease or Power Purchase Agreement (PPA) is an agreement in which you lease solar panels from a solar company. With a lease, you don't own the solar panels, but you do get to use the electricity they generate. With a PPA, you agree to buy the electricity generated by the solar panels from the solar company at a set rate.
