

Is Solaris a Class A stock?

HOUSTON, December 09, 2024 -- (BUSINESS WIRE)--Solaris Energy Infrastructure, Inc. ("Solaris" or the "Company") (NYSE: SEI) today announced that it has commenced an underwritten public offering of 6,500,000 shares of its Class A common stock, par value \$0.01 per share ("Class A common stock").

What does Solaris LLC do with the offering?

The Company intends to contribute all of the net proceeds it receives from the offering to Solaris Energy Infrastructure, LLC ("Solaris LLC") in exchange for a number of Solaris LLC membership units equal to the number of shares of Class A common stock issued in the offering.

What is Solaris integrated solutions?

Solaris Integrated Solutions deliver comprehensive, automated systems to optimize your wellsite's safety, efficiency and execution. Our technology innovations and patented equipment revolutionizes the way proppant, water and chemicals are delivered, loaded, stored and processed at your wellsite.

What will Solaris LLC do with the net proceeds?

Solaris LLC will use the net proceeds to fund growth capital for additional power generation equipment, including new natural gas turbines and complementary "balance of plant" electrical equipment, to support customer activity. The Company will not receive any proceeds from the sale of the Option Shares offered by Yorktown.

Why should you choose Solaris?

Reduce trucking demurrage and non-productive time with reliable last mile logistics service, dedicated round-the-clock support and real-time tracking at every point in the supply chain. Inspired by Innovation. Guided by Results. Solaris delivers comprehensive, automated systems to optimize your wellsite's safety, efficiency and execution.
