

Somali Solar, boasting over two decades of expertise in the solar industry, stands out as a provider of comprehensive solar solutions. Their services encompass a broad spectrum, including the provision of high-quality solar inverters essential for ...

We are the #1 solar energy provider in Somalia! SOMNUUR Energy and Technology was founded in 2015 on the principles of making solar energy affordable reliable and accessible for everyone in Somalia. SOMNUUR's head quarter is Mogadishu but has offices in Afgoye and Kismayo and implements projects throughout Somalia.

Goodlight Energy is a premier provider of sustainable energy solutions in Somalia and East Africa. We specialize in reliable, eco-friendly energy products and services, including solar panel installations, power inverters, and maintenance.

We provide expert installation of various solar panel systems, ensuring peak performance and efficiency with top-quality components, precision site assessment, and reliable service. Our team guarantees optimal energy production and long-term reliability.

Somali Solar is committed to provide world class Solar systems with first of it's kind in East Africa. Somali Solar is self funded private organization with a history of renewable energy in the United States and Somalia.

We source high-quality, durable solar panels that are tested to withstand Somalia's hot and sometimes dusty conditions. Our installation teams are highly trained and follow international best practices to ensure safe and efficient setup.
