

How many Sonnen solar batteries are there?

There are 3 different Sonnen solar batteries available, each able to meet different demands: sonnenBatterie eco, sonnenBatterie hybrid and sonnenBatterie pro. Whether it's a Sonnen solar battery you're interested in or you have another manufacturer in mind, the best way to save money on the installation is to compare quotes.

Is Sonnen a commercial battery?

Sonnen also offers a commercial and industrial EcoLinx battery called the EcoLinx 100. This review covers only Sonnen's residential battery models. Sonnen batteries aren't all about backup power, but it's still important to take a look at how these batteries perform in that area. How many can I stack? AC- or DC-coupled? What is the Sonnen VPP?

Which Sonnen battery should I buy?

Both sonnen batteries are good options for homeowners looking for a daily-use battery to avoid peak pricing, participate in a virtual power plant, or for those who don't have net metering. The sonnenCore+ doesn't have all of the ecoLinx's advanced features, but it is a solid battery that is a great option for the majority of homeowners.

Why are sonnenBatterie pro solar batteries so expensive?

The larger sonnenBatterie pro solar batteries are the most expensive due to their larger commercial size. As well as the cost of the sonnenBatterie itself, you will also need to consider the installation. Depending on the installer carrying out the installation, the prices will vary.

Are Sonnen batteries in stock?

According to the SolarReviews' 2024 Solar Industry Survey, less than 9% of respondents carried sonnen batteries, so it may be harder to come by an installer with sonnen batteries in stock. For reference, Enphase's batteries were carried by over 50% of respondents.

Where are Sonnen batteries made?

Sonnen's batteries are manufactured in their facility in Germany and are one of the main brands who do not have production capacity in China. They have a local office in Adelaide to support Australian customers. Sonnen have two battery series that are available in Australia.
