

Who provides end-to-end solar power systems in Sri Lanka?

Hayleys Fentons, in partnership with suppliers such as JA Solar, LONGi Solar, SMA, Canadian Solar and ABB, provides end-to-end solar power systems in Sri Lanka. They facilitate solar loans and offer warranties of up to 25 years for their solar power systems.

Why should you choose Hayleys Solar in Sri Lanka?

Solar energy in Sri Lanka is one of the most preferred forms due to an abundance of sunlight, being located closer to the equator. Hayleys Solar by Hayleys Fentons is the largest EPC contractor and one of the most trusted solar companies in Sri Lanka, committed to contributing to cleaner energy sources.

Why should you choose JLanka solar energy EPC service provider?

JLanka the leading solar energy EPC service provider offers solar solutions designed to maximize the return on investment. With a highly skilled EPC team consisting of expertise in engineering and technology, each project generates greater value with different customer experience.

Did JLanka install the solar panels hassle free?

"The solar panels were installed hassle free with JLanka's understanding and professionalism"

Why should you choose JLanka as your solar partner?

Choosing JLanka as your Solar partner will provide you the opportunity to work with a single point of contact with engineering, procurement and construction (EPC) coming through one company instead of several ensuring a successful long-term solar system.
