UGT??CEO Adam Cortese??,???????????????? 12 ?????,??Sun Africa ? Sun UAE??,??????????????????

Sun Africa, as a premier US utility-scale solar developer and off-grid solution provider, is redefining what it means to be a renewable energy company. With technology expertise, supply chain capabilities, and access to various capital sources, Sun Africa and its partners have a strong record of delivering clean energy projects at a low cost.

The North American company Sun Africa, specialized in energy, will launch on Thursday the construction of a photovoltaic and battery mega-project in the country, which will produce 370 megawatts (MWp) in seven plants.

Sun Africa is a leading utility-scale solar project developer and off-grid solution provider, with the mission of transforming our world and meeting its energy needs sustainably. Sun Africa is based in Miami, FL and is a sister company to Eurasia-focused UGT Renewables.

We deliver competitive, sustainable renewable energy solutions that improve quality of life, protect our environment, and streamline processes for leaders and decision makers alike. With tens of billions of dollars worth of projects under our belt, Sun Africa is at the center of Africa's push to meet growing energy needs sustainably.
