

What is Sun King PAYG financing?

Sun King's PAYG financing model makes solar affordable to virtually all off-grid and weak-grid homes, allowing customers to leapfrog electrical grids and fossil-fuel energy sources entirely. Households receive high-quality equipment, which they can then pay off as they use the asset.

What makes Sun King a great solar company?

The company's customer-focused approach and commitment to affordability drove its rapid growth across Africa and Asia. Today, Sun King operates the world's largest direct-to-consumer, pay-as-you-go (PAYG) solar distribution network, growing by 150,000 new clients per month across seven countries.

What is a Sun King solar inverter?

Sun King's Solar Inverters connect to two sources of electricity, solar panels and, when available, the electrical grid to provide homes and businesses with seamless, clean, and affordable energy around the clock. What do Sun King Customers Say About Our Products? "Before I had a generator, as the grid was very erratic.

How do I start using Sun King solar?

Make a small down payment and start using your Sun King product immediately. Pick your contract length and pay the balance in small instalments. Making payments ensures uninterrupted access to Sun King solar. Once payments are complete, enjoy solar energy free of charge!

Does Sun King offer bespoke solar inverter systems?
