Solar panels, and a solar powered streetlight, at a farm complex on the outskirts of Pyongyang, North Korea. The worker housing in the distance has solar water heaters on the roof.

6 reviews and 5 photos of SUN VOLT " When my solar was installed last year I was told Sunvolt would monitor my system and contact me if any issues. We got a few emails in the beginning then they quit sending them. In October this year while my system is not even a year old I realized I had 12 panels out. They came out once told me I needed a new cable.
