

Why are Syrians rejoicing in the streets?

Long-suffering Syrians have been rejoicing in the streets after one of the world's most brutal dictatorships suddenly crumbled in a few short weeks. For half a century, the Assad family ruled over Syria with an iron fist, with long-documented reports of mass incarceration, torture, extra-judicial killings and atrocities against their own people.

Who are the rebels in Syria?

Who are the rebels? Syria's rebel coalition is a new grouping called the "Military Operations Command." It's made up of various Islamist and moderate factions who, despite their differences, are united in fighting the Assad regime, ISIS and Iran-backed militias.

Will Syria's armed opposition form a 'council chosen by the people'?

Syria's armed opposition ultimately plans to form a government defined by institutions and a "council chosen by the people," Jolani told CNN. The rebel leader has sought to diminish the shadow of his extremist roots, and one commander insisted in a state TV address on Sunday that "all sects" would be protected.

Is Homs a post-Assad Syria?

Syrian rebel fighters and locals celebrate in the central city of Homs early on December 8, 2024, after entering Syria's third city overnight. The anti-regime coalition is now disbanding Assad's military, laying out its vision for a post-Assad Syria.

Are Syrians still haunted by a legacy of persecution?

But millions of Syrians, including those from minority Christian and other religious communities, remain haunted by a legacy of persecution suffered at the hands of extremist groups like al Qaeda and ISIS.

USAID supports the rehabilitation of essential services such as clean water, electricity, and healthcare in non-regime areas of northeast Syria to stabilize communities liberated from ISIS, prevent extremist actors from re-emerging, and foster a safe environment for refugees and displaced persons to return home.

Die Firma ESS-Systeme GmbH & Co. KG wurde im Juli 2008 gegründet. Da sich die Firma Oswald-IT, ein kleines IT-Systemhaus, des Firmengründers Martin Oswald immer mehr mit Videoüberwachung und elektronischen Zutrittskontrollsystemen beschäftigte, reifte der Gedanke, diese Bereiche in eine eigene Firma auszulagern.

Building upon USAID's Essential Services South (ESS), Syria Essential Services (SES) was a 15-month project intended to support the restoration of essential services and provide relief in communities in opposition-influenced areas in Syria. Extended for an additional three months, and eventually running from February 24, 2015, through August
