Does Trinity solar install solar panels?

Trinity Solar installs solar panels made by Tier 1 manufacturers such as Qcells and offers energy storage systems from Tesla, Generac and other brands. It has multiple payment options, including solar leases from its business partner Sunnova.

What services does Trinity solar offer?

Services include solar panel system installation, battery backup, storage systems and even roofing installation. The company uses Tier 1 components, all of which feature above-average efficiency levels. Some of Trinity's top brand choices include Qcells panels and Tesla Powerwall battery systems.

How does Trinity solar work?

Trinity Solar handles almost all of its installations entirely in-house. This means that the processes of quoting, designing, permitting, installing and the final inspection are all performed by Trinity employees. This cuts out any middlemen and allows the customer to speak directly with the people responsible for their installation and service.

How long does it take Trinity solar to install solar panels?

The company has a large team of employees that make up various sectors, including customer support, construction, electrical, and service teams. According to multiple reviews on several platforms (Google, Better Business Bureau, etc.), Trinity Solar can complete some solar installations in as little as one day.

Is Trinity solar a good solar inverter company?

Trinity Solar offers Q-Cells for solar panels, which are highly efficient. Q-Cells panels boast an energy efficiency between 20.6% and 21.4%, which is comparable to the best in the industry. The company offers more selection for solar inverters, including equipment from SolarEdge, Tesla, and Generac.
