

Who is Hanersun?

Hanersun is a world-leading energy technology company, with a business scope from the R&D and manufacturing of solar modules, energy storage products, to energy solutions. By focusing on high-efficiency technologies, it is one of the first to launch solar module of 600W+ and 700W+ in the industry.

Who makes Hanersun solar modules & solutions?

Using Hanersun solar modules and solutions. Hanersun is a worldwide professional solar module manufacturer and comprehensive energy solution provider.

What makes Hanersun a great solar company?

By focusing on high-efficiency technologies, it is one of the first to launch solar module of 600W+ and 700W+ in the industry. By the end of 2024, Hanersun has cumulatively delivered over 14GW solar modules to more than 100 countries and has developed and built 800MW of solar projects in the Asia Pacific.

Who is Hanersun solar?

By the end of 2024, Hanersun has cumulatively delivered over 14GW solar modules to more than 100 countries and has developed and built 800MW of solar projects in the Asia Pacific. Its branches have been set up in Europe, the US, Japan, Vietnam, Hong Kong, Australia, and Pakistan to provide seamless services for local customers.

Where is Hanersun based?

As of the end of 2022, Hanersun has cumulatively delivered over 11GW solar modules to more than 80 countries and has developed and built 600MW of solar projects in the Asia Pacific. Our branches have been set up in Europe, the US, Japan, Vietnam, Hong Kong, and Pakistan to provide seamless services for local customers.

Is Hanersun a reliable partner?

To sum up, it is a reliable partner. Company profile for solar panel, component and installer manufacturer Hanersun Technology Co., Ltd - showing the company's contact details and offerings.

Hanersun is a world-leading energy technology company, with a business scope from the R&D and intelligent manufacturing of solar modules, energy storage products, to comprehensive energy solutions. By focusing on advanced high-efficiency technology, it is one of the first to launch the 600W+ solar module in the industry.

Hanersun bietet seinen Kunden hochmoderne Solarmodule für den gesamten Projektlebenszyklus. Bis Ende 2021 hat Hanersun insgesamt über 10 GW Solarmodule an Tausende von Kunden in mehr als 50 Ländern geliefert und 500 MW an Solarprojekten im asiatisch-pazifischen Raum entwickelt und gebaut.

Hanersun is committed to the continuous R& D and production process optimization of solar modules and has launched the 210 large wafer module and Topcon module. With the rapid change of technology, Hanersun still manages to provide customers with high-performance and high-quality solar products.

Hanersun is a world-leading clean energy company, focusing on R& D, manufacturing and distribution of solar module and energy storage system, as well as comprehensive clean energy solutions. Committed to high-efficiency technologies, the company is one of the first to launch PV modules of 600W+ and 700W+ in the industry.
