

Who is iqony solutions?

Iqony Solutions provides customized responses to the challenges of the energy transition. As a partner for all the issues related to decarbonization and digitalization, we support our customers with engineering expertise.

Does iqony provide customised energy solutions?

Iqony's wide range of services helps the company to fulfil its own claim of providing customised energy solutions. Iqony is part of the STEAG Group, which split into the two divisions 'Iqony' and 'Steag Power' in January 2023. As a solar service provider, Iqony Sens is assigned to the green 'Iqony' division.

Why should you choose iqony solutions?

As a partner at your side, Iqony supports you with the challenges from the transmission network to the industrial network. Iqony Solutions offers customized solutions for the challenges of the energy transition. As a partner for all topics relating to decarbonization and digitalization, we support our customers with engineering expertise.
