

He said that the campaign was in line with the Federal Government's commitment to its Nationally Determined Contribution to the United Nations Framework Convention on Climate Change and the Paris Agreement.

Gbenga Sheriff, Head of Risk Management (Environmental and Social Risk), emphasized that the campaign aligns with the Federal Government's Nationally Determined Contribution to the United Nations Framework Convention on ...

At the unveiling in Lagos, the lender stated that the campaign was part of its commitment to the Economic, Social and Governance (ESG) seventh goal of the United Nations (UN) and to also provide a viable alternative source of power supply to customers.

Say goodbye to power issues. The Switch to solar lease product aims to leverage the rapidly improving economics of solar and storage technologies to enable households, commercial and industrial clients to adopt a cleaner and more reliable source of electricity through solar photovoltaic (PV) and batteries by offering affordable financing opportunity.

He added that the bank's initiative aligns with the United Nations' seventh ESG goal, positioning Access Bank as a global leader in sustainable practices. The financing product is designed to be user-friendly, allowing customers to make payments over 48 months without undue pressure.

Sheriff said that the campaign was in line with the Federal Government's commitment to its Nationally Determined Contribution to the United Nations Framework Convention on Climate Change and the Paris Agreement.
