

What is a tubular inverter battery?

Tubular inverter batteries are also the best for applications that require high power. A tubular inverter battery is made to last very long. It has a longer duration of service when compared to a flat plate and gel batteries. They are also more durable and give the longest warranty period to customers.

How long does a tubular inverter battery last?

Starplus offers a long-lasting inverter tubular battery. Our tubular inverter batteries come in different capacities ranging from 130AH to 240AH. These inverter batteries not only last long but are incredibly powerful too. Warranty period is 12 months

Are StarPlus batteries eco-friendly?

Starplus batteries are eco-friendly and are capable of being completely recycled, thereby minimizing wastage, and living up to their responsibility towards the environment. We use the quality material with advanced technology to give the best to all our customers.

Who is the best tubular inverter battery manufacturer in Nigeria?

Starplus Batteries is the top and best tubular inverter battery manufacturer company in Nigeria. We are the best battery suppliers in Nigeria. The Starplus Research and Development team is always researching how to make inverter batteries better and more reliable.

What is a long lasting tubular battery?

A long lasting tubular battery is a lead-acid battery designed to have a longer lifespan than regular lead-acid batteries. These batteries are commonly in use in applications where it requires a reliable and long-lasting power source, e.g., backup power systems, solar power systems, and inverter systems.

What are heavy duty tall tubular batteries in Nigeria?

The heavy duty tall tubular batteries in Nigeria have an ultra-low rate self-discharge system and designed cycle life C10 discharge. Heavy duty tall tubular batteries can deliver high currents and have a longer lifespan than other types of batteries.

Starplus 12v 220ah tubular batteries are specially designed to be used with home and industrial inverters where traditionally flooded tubular batteries are typically used. Most inverters have chargers with high-ripple content that cause the shedding of active materials in the battery plate. As a result, tubular batteries are preferred over flat ...

Star Plus 220Ah 12V Tubular Battery Highlights: Batteries designed for deep cycle inverter application. Excellent charge acceptance; Long life-high pressure casting machine used for positive plate; Long shelf-life no fresh charge ...

On average, Star Plus tubular batteries only lose 12% to 15% of charge in a month when not in use. Apart from that, we offer a 24-month warranty on all of our batteries. So, if you are seeking a reliable inverter battery, don't miss out on the advantageous features of Star Plus batteries to meet all your power backup needs.

STAR PLUS BATTERY - LIGHTING UP NIGERIA'S FUTURE. The tubular inverter batteries feature a high backup solution, low maintenance needs, ... Star Plus Tubular Inverter Batteries: Special Features and Qualities. Model No. Box Type: Ah Capacity: Length: Width: Height: Total Warranty: SP22000 XB: IT500: 220: 505: 190: 410:

Battery business is estimated to be 720,000 units of Lead Acid Tall Tubular batteries per year. Demand for the products in the tubular storage battery sector is growing at 20% CAGR per year. MMNL owned STAR PLUS Brand is "Number 1 Brand" in the Tubular Battery Storage with a first company ever having its manufacturing plant in Nigeria.

Secure Your UPS System with High-Capacity Tubular Batteries. by Sabirir Adhira | Nov 18, 2024 | Tubular Inverter Battery. In our increasingly connected digital world, a consistent power supply is necessary to sustain critical applications and daily lifestyles. However, Nigeria's ongoing power supply crisis threatens household, commercial, and ...

Star Plus Batteries - The best place to buy solar batteries is in Nigeria. The number one place to buy batteries in Nigeria is with us. ... Starplus Batteries is a brand of MMNL, the best Nigerian manufacturer and supplier of automotive and tubular batteries. We are an ISO 9001:2015 certified company located in Gbara Village, Ogun State, since ...

Starplus offers long-lasting inverter tubular batteries. Starplus tubular inverter batteries come in different capacities ranging from 130AH to 240AH. These inverter batteries not only last long but are incredibly powerful too. The warranty ranges from 36 (18+18) months to 60 (36+24) months.

Choose Star Plus Tubular Inverter Battery - not just a power solution, but a beacon of national pride, fueling Nigeria's progress. #StarPlusBatteries #Star #TubularBatteries #BrightenTheFuture ...

****STAR PLUS** offers long-lasting inverter tubular battery. STAR PLUS tubular inverter battery come in different capacities ranging from 130AH to 240AH. These inverter batteries not only last long but are incredibly powerful too. The warranty ranges from 36 (18+18) months to 60 (36+24) months.**** **STAR PLUS** Inverter batteries are specially designed to be used with home and ...

Star Plus Tubular Battery 12v220ah +1. 10. Other. Brand. Inverter Batteries. Type. 220 aH. Battery Capacity. 12 V. Battery Voltage. Brand New. Condition. Store address. Show 1 options . Lagos State o Ikeja. No 2 Olawaiye street off akinremi Anifowoshi Ikeja lagos Nigeria. Closed now o Mon - Sat, 08:00-16:00.

We often think of batteries and inverter systems and tend to forget the maintenance of the charger. You must use a quality, compatible charger for your Star Plus Battery to charge and discharge properly. Therefore when you purchase the inverter with a battery, you must also purchase the recommended charger for the battery.

"Star Plus" Tall Tubular Battery is a brand under Metal Manufacturing Nigeria Limited (MMNL), the best tubular inverter battery manufacturing company in Nigeria. Star Plus Tubular Batteries 220ah 12V has 400 watts load backup that are worth the price. To be honest, Star Plus tubular battery store more electric power than other tubular battery ...

The Star Plus 220Ah 12V Tubular Battery is a powerhouse of reliability and efficiency, specifically designed for solar energy storage. Its advanced tall tubular design, high capacity, and robust performance make it the ideal choice for anyone looking to harness solar energy effectively. Choose the SP22000 XB for a sustainable, dependable, and cost-efficient energy solution.

Tubular Inverter Battery: Capacity, Efficiency, and Care. by Aminu Mutiat | Dec 12, 2022 | Tubular Inverter Battery. ... Star Plus Batteries is always on the cutting edge of technology and has helped the company become the leader in the field of tall tubular battery manufacturers in Nigeria.

In Nigeria, where the reliability of the power grid remains uncertain, possessing a dependable power backup is crucial. Now, if you are looking for an inverter battery solution, Star Plus inverter batteries can be the ...
