4 & Tajikistan / Economy / Tajikistan and South Korea to build solar power plants. Tajikistan and South Korea to build solar power plants. 14:49, december 10 Author: Asia-Plus. 0 0 0 651. The document was inked by Tajik Minister of Energy Daler Juma and KIAT Industrial Technology Division Head Lim Byung-Hyuk; photo / Tajik Ministry of Energy and ...

Tajikistan leaps into a solar-powered future, partnering with South Korea to erect a sprawling solar panel plant in the Danghara Free Economic Zone. President Emomali Rahmon hails it as a beacon of cooperation, promising prosperity. This marks a transformative shift towards energy independence and economic growth, illuminating Tajikistan's green ambitions.

The potential of solar energy in Tajikistan is reportedly quite high. The country is located between 36°40' and 41°05' north latitude. Meteorologists call this zone a "golden belt" of sunshine. According to the Agency of Hydrometeorology of Tajikistan (Hydromet), the duration of sunshine in the country is 2100-3166 hours per year, and ...
