How to register a company in Zimbabwe?

Upon formation, a company must register at the regional Zimbabwe Revenue Authority Office. A copy of the company's certificate of incorporation is required for the Collector's records, along with the memorandum and articles of association and a certified copy of the identification of the assigned public officer.

How does a non-resident supplier register for VAT in Zimbabwe?

The annual turnover achieved by the supplier will define the VAT registration category, which will, in turn, determine the accounting dates. Once registered for VAT in Zimbabwe, the non-resident supplier must submit monthly VAT returns by the 25th of the month following the end of the tax period. There are no specific rules governing this aspect.
