

What is ignite power?

Ignite Power brings solar-based life-enabling solutions to the poorest communities of sub-Saharan Africa, including many in Rwanda.

Why did ignite power partner with a prestigious organization?

"We are deeply honored to partner with such a prestigious organization that shares our vision for a disruptive model poised to generate substantial, large-scale impact", says Angela Homsí, Ignite Power President. "This collaboration exemplifies our commitment to innovative solutions that transcend barriers and foster inclusive growth."

How does ignite work?

Ignite's solar-based irrigation systems allow farmers to tap into their lands more efficiently, increasing yields by up to 300%, harvesting seasons by up to 50%. Joseph Mains, 45, from Rwamagana, Rwanda, manages a farm of 20 hectares. He grows butternut, chili, onions, okra, pineapple, bananas, papayas, and passion fruit.
